**French, B.A.  
Accounting, B.A.**

## **LJWL MEMORIES**

In my French Conversation class sophomore year there were only 2 of us and we got to take our final for the class at Chi Chocolat in Liberty Station while drinking hot chocolate.

## **WHAT'S NEXT**

In June I start work at Deloitte in San Diego in the Business Tax Services department. Until then I will be studying for and taking (hopefully) all four of my CPA exams.

## **HOPE FOR THE FUTURE**

I hope to enjoy what I do and continue traveling the world
