

LINDSEY KEITH

Literature, B.A.
Art Minor

LJWL MEMORIES

Every year I would look forward to The Writer's Symposium by the Sea.

WHAT'S NEXT

I am planning on applying to art residencies. Alternatively, I would find a job and pay off my loans within a year.

HOPE FOR THE FUTURE

I hope to become entirely independent and financially stable so that I may pursue my passion for art. I also hope to travel and along the way find a genuine community of people and a lifelong mentor.
