Spanish, B.A.

LJWL MEMORIES

My favorite memory is when we all went to the San Diego Latino Festival as a class. It was a fun night getting to know my classmates that are now my friends. We also met Mexican actor Damián Alcázar and took a group picture with him.

WHAT'S NEXT

I want it all! My family and I are taking a trip to Cancun and Puerto Vallarta to celebrate. I'll be also working at a local church in San Diego assisting with conferences/seminars in both English and Spanish. I took French in my last semester and enjoyed it so much that I'd like to continue taking classes!

HOPE FOR THE FUTURE

I would like to teach Spanish in a different country.
